FOR IMMEDIATE RELEASE: SIPES ROOFING ACQUIRES RESIDENTIAL SHINGLE BUSINESS OF LEGACY ROOFING SERVICES

North Ridgeville, Ohio – March 16, 2026 – Dave Sipes, former Vice President of Legacy Roofing Services' Shingle Division, announced today that he has acquired Legacy's residential shingle business. With his experienced team by his side, Sipes will continue serving homeowners under the new name Sipes Roofing Solutions, a family-owned, Better Business Bureau–accredited roofing company focused on quality workmanship, integrity, and long-term customer relationships.

This exciting transition allows Dave and his team to further deepen their commitment to the Northeast Ohio community and surrounding areas. Dave remains incredibly proud of the accomplishments he and Legacy achieved together over the past 12 years and will continue to support them in any way possible as they focus exclusively on commercial roofing moving forward. "Being able to acquire something I helped build from the ground up–and to bring the team along with me–is truly a dream come true," said Sipes. Sipes Roofing Solutions looks forward to serving the region with integrity, expertise, and a passion for excellence.

With this acquisition, residents within Northeast Ohio and nearby areas can expect the same reliable, high-quality shingle roofing repairs, replacements, and installations they've come to trust, now enhanced by Sipes Roofing's personalized approach and focus on customer satisfaction. The company looks forward to serving both new and existing customers with the highest standards of professionalism and integrity.

"To the North Ridgeville community and homeowners across Northeast Ohio, keep an eye out for our mascot Bernie – often spotted at local events in his new Sipes Roofing Solutions gear." Sipes joked.
